Stephen Petty and Scott Smith present the newly released testing data that was hidden from the residents of East Palestine.

THE SPEAKERS

Stephen Petty

Chemical exposure expert
P.E., C.I.H., C.S.P.

Scott Smith

Whistleblower testing expert
Independent scientist

WHAT'S BEING RELEASED

- **Petty's expert court reports on East Palestine contamination.**
Previously unreleased — the class-action attorneys withheld his testing results from their own clients.
- **Scott Smith's independent testing data.**
Comprehensive results gathered over 34 trips to East Palestine in the last three years.
- **The records the Ohio EPA would not hand over.**
OAMF's August 25 public-records request went unanswered. The documents were obtained another way and are being made public.
